Accounting

Cultivation Objectives:

The program of Accounting aims to cultivate compound senior accounting talents with solid basic knowledge of accounting, management and economics, proficiency in International Financial Reporting Standards (IFRS), and skills in financial data information processing and analysis in the context of big data. Upon completion of their studies, students will be able to apply practical skills in financial management, auditing, and taxation to management decision-making, with international perspectives and cross-cultural communication skills, and will be able to engage in financial accounting, financial analysis, financial management, auditing, taxation, as well as management consulting in multinational corporations, governmental departments, financial institutions, and accounting firms etc.

培养方式:

会计学专业充分利用辽大和德大的优势资源,实施小班授课、案例教学。每学期配备博士生导师或硕士生导师授课,介绍学术前沿问题,并引导学生开展科研工作。并通过模拟实验、创新大赛等方式不断优化课程设计。

Cultivation Methods:

The Accounting major makes full use of the superior resources of Liaoning University and De Montfort University, and implements small-class teaching and case-based teaching. Each semester, doctoral supervisors or master's supervisors will be assigned to teach, introduce the cutting-edge academic issues, and guide students to carry out scientific research work. The curriculum design is continuously optimized through methods such as simulation experiments and innovation competitions.

会计学专业实施“双注册”“双学位”人才培养模式(“4+0”培养模式)。学生可以自主选择在辽宁大学完成全部学业,或者赴英国德蒙福特大学完成后两年的学业。学生在学业修读年限内修完本科全部课程,成绩合格并符合条件者,无论出国与否,均可同时获得辽宁大学的本科毕业证和学士学位证以及德蒙福特大学的学士学位证。选择去德大完成后两年学习的学生拥有一次重新选择专业(工商管理、会计学、市场营销)的机会。赴德大会计学专业学习的学生最多可免考ACCA(国际注册会计师)资格认证考试13个科目中的9个科目,在辽宁大学完成全部学业的学生可免考6个科目。

The accounting major implements the "double registration" and "double degree" talent cultivating model ("4 + 0" cultivating model). Students can independently choose to complete all their studies at Liaoning University or go to De Montfort University in the UK to complete the last two years of their

studies. Students who complete all undergraduate courses within the study period, achieve qualified grades and meet the requirements can obtain both the bachelor's degree certificate of Liaoning University and the bachelor's degree certificate of De Montfort University, regardless of whether they go abroad or not. . Students who choose to complete the last two years of study at De Montfort University have the opportunity to re-select their major (Business Administration, Accounting, and Marketing). Students who study Accounting at De Montfort University can be exempted from up to 9 of the 13 subjects of the ACCA (The Association of Chartered Certified Accountants) qualification examination, and students who complete all their studies at Liaoning University can be exempted from 6 subjects.

学生入学后考试及升级要求：为保证学生在校或者出国学习达到相应的语言要求，学院在一年级开设英语强化训练课程。学生在一年级期末需参加由德蒙福特大学组织的英语测试，成绩合格者方可注册二年级的专业课程学习。如英语测试成绩不合格，补考后依然无法达到要求，则须转入低一年级继续学习。学生考试及升级要求按两校相关管理制度执行。

Examination and promotion requirements for students after enrollment: To ensure that students meet the corresponding language requirements for studying on campus or abroad, SWIBS offers an intensive English training course in the first year. At the end of the first year, students are required to take the English test organized by De Montfort University. Only those who pass the test can register for the professional courses in the second year. If the student fails the English test and still cannot meet the requirements after the re-take test, they must transfer to the lower grade to continue their studies. The examination and promotion requirements for students are implemented in accordance with the relevant management systems of the two universities.主干课程：
